

7.2.1

Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

The College and Campus Beautification team are actively engaged in creating awareness and sensitizing both staff and students about sustainable environmental issues. The installation of separate dustbins for waste disposal. Workshops for students to create awareness reflects a holistic approach. It's impressive to see the college actively promoting student engagement through a variety of competitions and festivals. The involvement of professionals and experts further enhances the students' preparation, contributing to their excellent performances. The college's achievements, youth festivals participation, highlight the dedication and talent of its students in various events.

**Cleanliness Drive,
Creating Awareness about
Protecting our Surroundings
and Environment**
